

## RINGWOOD NATURAL HISTORY SOCIETY

### Fungus Foray at Eyeworth Wood

Date: 16<sup>th</sup> October 2021  
 Weather: Sunny  
 Walk Leader: Bill Syrratt  
 Attendees: 13 members, 2 visitors

Eyeworth Wood is an area of typical New Forest mature deciduous woodland and associated lawns with an under storey of holly. There is plenty of fallen, dead and decaying wood contributing to the rich ecosystem which provided us with an interesting foray. Given that there not been much fungi to be seen this autumn, we were pleased to find 50 species.

Scientific names from Sterry and Hughes.

| Common Name             | Scientific Name                 | Common Name              | Scientific Name                    |
|-------------------------|---------------------------------|--------------------------|------------------------------------|
| Glistening Inkcap       | <i>Coprinellus micaceus</i>     | Beech Woundwort          | <i>Hypoxyton fragiforme</i>        |
| Chicken of the Woods    | <i>Laetiporus sulphureus</i>    | Beech Jelly Disc         | <i>Neobulgaria pura</i>            |
| Turkeytail              | <i>Trametes versicolor</i>      | Small Staghorn           | <i>Calocera cornea</i>             |
| Zoned Rosette           | <i>Podoscypha multizonata</i>   | Green Elfcap             | <i>Chlorociboria aeruginascens</i> |
| Beech Tarcrust          | <i>Biscogniauxia nummularia</i> | Oakbug Milkcap           | <i>Lactarius quietus</i>           |
| Smokey Bracket          | <i>Bjerkandera adusta</i>       | Stump Puffball           | <i>Lycoperdon pyriforme</i>        |
| Bitter Bracket          | <i>Postia stiptica</i>          | Oak Mazegill             | <i>Daedalea quercina</i>           |
| Cramp Balls             | <i>Daldinia concentrica</i>     | Hairy Curtain Crust      | <i>Stereum hirsutum</i>            |
| Southern Bracket        | <i>Ganoderma australe</i>       | False Death Cap          | <i>Amanita citrina</i>             |
| Wolf's Milk Slime Mould | <i>Lycogala terrestre</i>       | Red Cracking Bolete      | <i>Boletus chrysenteron</i>        |
| Birch Mazegill          | <i>Lenzites betulinus</i>       | Scaly Earthball          | <i>Scleroderma verrucosum</i>      |
| Alder Milkcap           | <i>Lactarius obscuratus</i>     | Pleated Inkcap           | <i>Parasola plicatilis</i>         |
| Willow Milkcap          | <i>Lactarius controversus</i>   | Sulphur Tuft             | <i>Hyphaloma fasciculare</i>       |
| Blushing Bracket        | <i>Daedaleopsis confragosa</i>  | Brittle Cinder Crust     | <i>Kretzschmaria deusta</i>        |
| Porcelain Fungus        | <i>Oudemansiella mucida</i>     | Ochre Cushion            | <i>Hypocrea pulvinata</i>          |
| Buttercup               | <i>Collybia butyracea</i>       | Peeling Oysterling       | <i>Crepidotus mollis</i>           |
| Spectacular Rustgill    | <i>Gymnopilus junonius</i>      | Amethyst Deceiver        | <i>Laccaria amethystina</i>        |
| Candlesnuff             | <i>Xylaria hypoxylon</i>        | Purple Brittlegill       | <i>Russula atropurpurea</i>        |
| Beefsteak Fungus        | <i>Fistulina hepatica</i>       | Russet Toughshank        | <i>Collybia dryophila</i>          |
| Common Earthball        | <i>Scleroderma citrinum</i>     | Chanterelle              | <i>Cantherellus cibarius</i>       |
| Konrad's Parasol        | <i>Macrolepiota konradii</i>    | Common Bonnet            | <i>Mycena galericulata</i>         |
| Clustered Bonnet        | <i>Mycena inclinata</i>         | Spindleshank             | <i>Collybia fusipes</i>            |
| Blusher                 | <i>Amanita rubescens</i>        | Common Inkcap            | <i>Coprinopsis atramentaria</i>    |
| The Deceiver            | <i>Laccaria laccata</i>         | Oak Bracket              | <i>Inonotus dryadeus</i>           |
| Burgundy Drop Bonnet    | <i>Mycena haematopus</i>        | Common Stump Brittlestem | <i>Psathyrella piluliformis</i>    |
|                         |                                 |                          |                                    |
|                         |                                 |                          |                                    |

| Flowering Plants   | Fruits          | Birds         | Others                    |
|--------------------|-----------------|---------------|---------------------------|
| Annual Ragweed     | Haws            | Mandarin Duck | Southern Hawker Dragonfly |
| White Water-lily   | Blackberries    | Mallard Duck  |                           |
| Autumn Hawkbit     | Rose Hips       | Rook          |                           |
| Tormentil          | Holly Berries   | Robin         |                           |
| Bramble            | Butcher's Broom | House Sparrow |                           |
| Dandelion          |                 | Treecreeper   |                           |
| Daisy              |                 | Nuthatch      |                           |
| Butcher's Broom    |                 | Blue Tit      |                           |
| Creeping Buttercup |                 | Goldcrest     |                           |
